In the First Baptist church sanctuary there is a beautiful stained glass window. It portrays the scene from the scriptures of families bringing their children to Jesus and commending them to His care. It is the Center's goal to extend this loving care to the children and families that we serve. Our philosophy of care is based on Christian values, including trust, respect for all persons, and love. Our curriculum includes appropriate value based, non-denominational Bible stories. It is our goal to give your child a happy, safe experience away from their home.
