In a world with so many questions, only one matters: Do You Believe? Before you answer, think about this, if you were ever accused of being a Christian, would there be enough evidence to convict you? This 3-day workshop will challenge you to examine what you know to be true, and then live out your faith by sharing the life-changing message of the cross with others who may not believe. This Vacation Bible School class will inspire you to put your faith into action.

Adult Vacation Bible School

August 6th - 8th
8:30 PM - 8:00 PM

Designed with a purpose in mind for overcoming Spiritual obstacles that will be on your path. We will be studying **Spiritual Warfare: A Balanced Perspective.**

Too often, Christians today either sensationalize the subject of spiritual warfare by obsessing over demon possession, exorcisms, binding the devil, and rebuking demons, or they minimize the idea and are unprepared for the real struggle they face against principalities and powers. Pastors Brian Borgman and Rob Ventura provide a balanced approach that exposes the fictions and superstitions surrounding this vital doctrine and at the same time reveal the unseen realities of this struggle. Basing their battle plan on Ephesians 6:10–20, the authors give an overview of the battle, a guide to the armor God gives us, and instruction regarding the vital wartime disciplines of prayer and proclamation of the Word. By learning to think biblically about this subject, Christians are enabled to deflect the blows of their adversary, fight sin, and live God-glorifying lives as followers of Jesus.
